# One Voice Central

## *Rev. Natalia de Rezendes*

Interfaith Minister  
The New Seminary, NYC

*As a wedding Officiant, I simply love creating a truly personalized wedding ceremony that reflects both your individuality and interconnectedness, in short, a celebration that tells your unique story. It gives me great joy to be given the privilege of creating a special wedding ceremony incorporating your personal faith tradition be they Spiritual or Secular, in the chapel or in the garden by the sea.*

Serving RI, MA, New England & NYC
